#### BOVRIL ISN'T DEAR.

in fact, value for value, it is one of the cheapest drinks and one of the most economical foods that can be obtained. A cup of hot Bovril costs less than a drink of whisky, and while giving a more genuine and lasting warmth than the latter, contains, in addition, the nutritive principles of beef worth many times its cost.

Old fashioned beef teas and meat extracts, whether known as such, or disguised under more pretentious modern names contain none of the NUTRITIVE properties of beef. Baron Liebig himself admitted this fact; there is not a doctor to-day disputes it. Used as a nourishment Meat Extract is probably the most expensive article one can buy. Bovril one of the cheapest.

## SNUBBING CAPT. SCOTT.

NAVAL OFFICIALS ABSENT FROM DISTRIBUTION OF MEDALS.

Capt. Percy Scott on the 9th ult. presented 740 South African and China war medals to the officers and men of the *Terrible* at Portsmouth Dockyard.

Addressing the ship's company he said: "It is not often that the captain of a ship is able to present his ship's company with medals earned in two separate campaigns. I think you have well earned your medals, and you may be justly proud of them. Though I did not have the honor of leading you when ashore, all reports I received from the respective commanding officers testified to your good work and good conduct."

## PRAISE FOR THE CREW.

"I must express my deep regret that we shall only be together for a few days longer, and, secondly thank you all—officers and men—for the large support you always gave me in the many and varied duties which the *Terrible* has had to perform."

"You have never failed me, and I shall always look back with pleasure on the three years we passed together. The younger hands of the ship's company will, I know, appreciate and make good use of the careful instruction given them, and I will, I hope, during the remainder of their career, do their utmost to uphold the splendid traditions of the King's navy, to which we all are so justly proud to belong."

"I wish you all good luck, a pleasant leave, success in the future, and I hope we shall be shipmates again, for I assure you that any 'Terribles' will always be sure of a warm welcome from me."

Three cheers for Capt. Scott closed the proceedings.

PORTSMOUTH PEOPLE WONDER.

Portsmouth people are wondering why Capt. Scott is being persistently cold-shouldered by the naval authorities.

During the distribution of medals not a single naval officer was present besides the *Terrible's* staff. The Commander-in-Chief and the Admiral-Superintendent were absent, and Capt. Scott was left severely alone.

From the moment of the *Terrible's* arrival this shabby treatment of Capt. Scott has been most marked. When the ship arrived the officials carefully announced that she would enter the harbor at noon, but she was suddenly ordered in at nine o'clock in the morning when

nobody was about. Consequently crowds missed a chance of welcoming the returning hero.

## SIGNIFICANT COMPARISONS.

When the *Powerful* came home naval and military officers thronged the jetty and troops lined the ramparts. The *Terrible's* return was marked by no such display. The Commander-in-Chief went away to Devonport, and the other officials abstained from welcoming Capt. Scott and his gallant crew.

Again, at the public banquet there was no enthusiasm in official quarters, no troops lined the streets, and the only naval official present was the Admiral-Superintendent.

## CAN THERE BE JEALOUSY?

People are asking whether there is any jealousy with regard to Capt. Scott's success. He is a popular and zealous officer, who has rendered exceptional services to the nation, and his crew adore him. It seems a pity, therefore, that naval officials should so persistently put a damper on the recognition of his success.

Perhaps Capt. Scott feels amply rewarded by the friendship of his sovereign, the esteem of his old admiral, Sir Edward Seymour, and the loyalty of his crew.

## THE CHINESE COURT.

## CUNNING OF THE E. D.

The *Naval Review* has received the following account of the great cunning shown by the Dowager-Empress of China when, on the occasion of the first reception to the Diplomatic Corps, she managed to be recognised as Regent once more.

It appears that the doyen of the Diplomatic Corps, the Austrian Minister, had declared that he would not be present at the first official audience if the diplomats were to be received by the Dowager-Empress. In this resolve he was supported by the British Minister. However, there was a great feeling of relief on receiving invitations drawn up in the Emperor's name.

When, on the day fixed for the audience, the guests assembled in the great, dark hall, which was lighted only by the daylight coming through the open door, they saw the Emperor seated on a small throne. Such an unusual position for the Emperor on such an important occasion astonished everybody. But during the speech made by the Austrian Minister, and to which the Emperor replied in a voice that was scarcely audible, the eyes of those present grew accustomed to the gloom, and they saw

the Dowager-Empress sitting majestically on a large throne at the end of the hall. Of course, Court etiquette forbade any form of demonstration, and the diplomats were obliged to bow courteously to the Dowager-Empress, and to rely to acknowledge the strong position that she occupied once more. In a loud and powerful voice, that thundered in striking contrast with the mumblings of the Bojdychau, the Dowager-Empress welcomed all her guests, and expressed in a short speech her joy at the end of the disorders and the return of peace and order. This clever trick is but another striking proof of the cunning ability of the Dowager-Empress.

## THE WORD OF HONOUR.

The men who do as they say; the things that prove to be what they were said to be—how cheering it is to come upon them. We all hate to be deceived; especially when the deception is intentional. But all men are not liars, even if David did say so in his haste. If they were society would be impossible. Everybody knows that business is based on credit, on faith. Millions are bought daily on nothing more solid than the pledged promises of men, not written, merely verbal. The Stock Exchanges are often called nests of gamblers, yet nowhere is a promise held in greater honour.

Therefore when we say that the tried and effective modern remedy called "Wampole's Preparation" never deceives any who resort to it in hope of benefit and cure, we may expect to be believed. For this assurance is given on what it has done in the past in countless cases, on its record. It is only recommended to accomplish what it was made to accomplish. Its action in Chlorosis, Anemia, a Grippe, General Debility, Throat and Lung Troubles, Blood Impurities, etc. is convincing. It is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. Dr. Austin D. Irvine, of Canada, says: "I have used it in cases where cod liver oil was indicated but could not be taken by the patient, and the results following were very gratifying." It is effective from sensitive and nervous stomachs. It cannot deceive or disappoint you, and comes to the rescue of those who have received no benefit from any other treatment. It stands for the medical triumphs of the age. Sold by all chemists here.

## THE BRIGHT SIDE OF LIFE.

It is a feeling common to the majority of us that we do not get quite the amount of happiness we are entitled to. Among the countless things which tend to make us more or less miserable ill health takes first place. Hannah More said that sin was generally to be attributed to biliousness. No doubt a crippled liver with the resulting impure blood, is the cause of more mental gloom than any other single thing. A chronic dyspeptic, says an eminent English physician, is always on the verge of a mental upset. And who can reckon up the fearful aggregate of pain, loss and fear arising from the many ailments and diseases which are familiar to mankind. Like a vast cloud it hangs over a multitude no one can number. You can see these people everywhere. For them life can scarcely be said to have any "bright side" at all. Hence the eagerness with which they search for relief and cure. Remedies like

## WAMPOLE'S PREPARATION

have not attained their high position in the confidence of the people by bald assertions and boasting advertisements. They are obliged to win it by doing actually what is claimed for them. That this remedy deserves its reputation is conceded. It is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, combined with the Comp. Syrup of Hypophosphites, Extracts of Malt and Wild Cherry. Nothing has such a record of success in Scrofula, Anemia, Nervous Debility, Influenza, Throat and Lung Troubles, and all emaciating complaints and disorders, that tend to undermine the foundations of strength and vigour. Its use helps to show life's brighter side. Dr. W. H. B. Atkins, of Canada, says: "I am pleased to state that the results from using it have been uniformly satisfactory." You can take it with the assurance of getting well. It is a preparation brought up-to-date and effective from the first dose. It never disappoints. At all chemists and A. S. Watson & Co., Limited.

HONGKONG, TUESDAY, NOVEMBER 11, 1902.

## LOCAL AND GENERAL.

SIR ERNEST STAOW, K.C.M.G., British Minister to China, is expected in Shanghai shortly on his way home on leave.

MAJOR-GENERAL SIR W. J. GASCOIGNE has arrived at Shanghai from Japan, and intends spending a few days there before coming on to Hongkong.

SIR JOHN KING, BART., arrived here on Sunday, from Chinking by the Portuguese gunboat *Dia*. He is appointed Private Secretary to H.E. the Governor.

MIDDY BOMBARDERS.—The Italian Government having judged the guarantee offered by Turkey for the repression of piracy insufficient, have bombarded the port of Midy.

GREAT FIRE IN COREA.—A telegram received at Shanghai from Nagasaki states that a large fire broke out at Fusan on the 4th inst. at 11 p.m., and destroyed 300 houses in the Settlement.

THE FACILITIES FOR BETTING at the Shanghai Races have been found inadequate, a Pan-mutuel room specially reserved for ladies was set apart during the recent race meeting in the upper part of the Grand Stand.

THE GERMAN FLAG that for a day or two floated over the native cemetery at Chefoo (the purchase and rightful possession of which had been disputed by the local native officials) has been removed. The empty flagstaff remains.

THE ASPHYXIATION OF ZOLA.—Curious experiments have been made with birds and guinea pigs in the bedroom in which M. Zola was recently asphyxiated. The experiments showed the fatal character of the gases which caused the death of the great novelist.

VICEROY TAO MU'S LAST JOURNEY.—The remains of the late Viceroy of the Two Kwang Provinces were brought from Canton to Hongkong this morning on board of the *Kwan-tak*, as the old *Fushun* is now called. From here the body will be taken North.

FAULT FOUND WITH TREATY.—It is reported from Peking that among the reasons for the disfavor in which Sheng Kung Pao is held is one of criticism that he overstepped his office as protector of Chinese interests in signing Article VIII of the proposed British treaty. It is feared that the consumption tax will be inadequate and that the abolition of likin will place the finances of the empire entirely in the control of foreigners.

THE KING'S BIRTHDAY.—The warships and merchantmen in harbour were gaily decked with bunting on the occasion of the King's 61st birthday (Sunday). It was very gratifying to observe the courtesy of the foreigners, who for the most part either dressed ship or displayed a complimentary British flag at the main. At one o'clock a royal salute was fired from the shore batteries and the warships. By a coincidence the Empress Dowager of China's birthday, the 10th day of the 10th month, fell this year on the same day as that of King Edward.

CIVILIAN CLUB SMOKER.—Last night a very successful "smoker" took place in the room of the Civilian Club. There was quite a large attendance, and the items submitted were excellent. The genial President, Mr. J. H. Osberry, was in the chair, and under his management the programme went off with a swing. The proceedings opened by Mr. Ruchvalsky giving a pianoforte solo, and after a song by Mr. Ruby, the chairman proposed the loyal toast, which was right royally received amid musical honours. The feature of the evening was the comic songs of Mr. Burgess, who, with his amusing actions, kept the house in roars of laughter. Mr. Goldenberg, in the guise of a humorist, quack, was equally good, while Mr. Osberry's rendering of *The Island of Dreams* elicited loud applause. Amongst others who helped to make the evening pleasant were Messrs. Dockree, Jordan, Sydney, and Palmer. Mr. F. Sheffield acted as pianist.

HENRY TO REVISIT AMERICA.—Prince Henry is preparing for a second visit to the United States in the spring and after observing political and social conditions east of the Mississippi, he will go west for big game shooting.

AMOY HEAD REBEL CAPTURED.—Activity by the native officials in Amoy for the suppression of the rebels has not been unavailing. It is said that the ringleader Sheng King is been captured, his capture resulting in the dispersal of the entire band.

ESCAPE FROM C. STUDY.—This morning a native couple of no fixed abode was sentenced by Mr. E. D. C. Wolfe to one month's hard labour for larceny. A native constable then led him into a room and left him in the care of another constable. On his return he found that his man had escaped.

HUNAN RUNS DOWN JUNK.—According to a special wire from Wuhu to the *Shanghai Times*, the steamship *Hunan*, of the China Navigation Co., on a trip up the river for rice, ran down a big salt junk near that port on the morning of the 5th inst. The junk was sunk and six lives are reported lost.

THE BANK HOLIDAY, in celebration of the anniversary of His Majesty's birthday was delightfully fine, enabling many picnic parties to have thoroughly enjoyable outings. A large gathering of people witnessed the review at Happy Valley, and Warren's Circus received a very fair share of public patronage at a matinee performance.

A MEETING of the Jewish community was held on Sunday morning at their Synagogue 'Ohel Leah', at which the following gentlemen were selected to act as trustees: Messrs. A. J. Raymond, David Moses, A. J. David, and E. S. Kadoorie. The committee elected comprise the four trustees and Messrs. E. Raymond, A. Howard, D. H. Silas and R. M. Ezekiel. Mr. A. J. David was elected President and Mr. D. H. Silas, secretary.

THE STRANDED *ITZUMI MARU*.—With reference to the paragraph which recently appeared in this paper relating to the grounding of the *Itzumi Maru*, it appears she went on a submarine rock on a pitch dark night, while trying to avoid a steamer coming in the opposite direction. Her passengers and their baggage were taken off in the *Aikoku Maru* for Moji, and her cargo, 200 tons, was being transhipped to the *Yeiyo Maru*.

THE ALFRESCO FETE.—On Sunday night, the alfresco fete, held in the compound of the Roman Catholic Cathedral, generally, passed off very successfully. The grounds were illuminated with Japanese lanterns and this, combined with the musical strain of the 33rd Burmese Infantry, and an animated but cosmopolitan throng, gave the place quite a lively appearance. As usual ticket holders were entitled to prizes, and some of these were very good. There were altogether eight stalls, towards the close of the evening, numerous other suitable presents, which were not sold were raffled and to judge by the presents, they were quite worth the money. A refreshment stall, managed and run entirely by a bevy of pretty Portuguese young ladies, did a roaring trade, and although the scale of prices was not of the ordinary yet there were many patrons. The fete was a complete success, and we have no doubt that the exertions of the Sisters of the Italian Convent have been amply rewarded, and the proceeds quite sufficient to cover the expenses in connection with certain sanitary improvements in that institution. The Superioress of the Italian Convent, very grateful to the ladies and gentlemen for their valuable services so benevolently undertaken on behalf of the orphans and in aid of the Convent "AlFRESCO FETE," begs to tender her most sincere and heartfelt thanks for their extreme kindness and charity shown on the occasion. She also wishes to express her warm thanks to the public who have so generously contributed towards this noble aim, as well as to Colonel Iremonger and the Officers for their excellent Band played during the bazaar, which had no doubt helped much to the good success of it. That the Almighty Lord may shower His choicest Blessings on all and each is her earnest wish and constant prayer as well as of those of her community.

GOVERNMENT HOUSE BALL.  
LAST NIGHT.

A ball was held at Government House last night on the occasion of the King's birthday. The house was tastefully decorated with greenery by Mr. Titcher, head of the Botanical and Afforestation department, and a staff of blue-jackets from the ships in harbour gaily decked with bunting the supper room, the verandah of the ball room and the hall entrance. About 600 guests were present, including the Acting Governor of Macao and staff, the heads of the Naval, Military and all the Government Departments, and the various consuls of the Colony. Supper was served at 11.30, when His Excellency toasted "The King, God bless him," and made a short speech regarding the events associated with his recent illness. The full band of the Derbyshire Regiment played following selection of dance music: Quadrille, La Grande Duchesse, Valse, Dream Faces, Espana, La Cais, The Belle of New York, The River of Years, Valse, L'Etrole Poire, Polka, Bonne Bouche, Valse, Love's Old, Sweet Song, Valse, Eton Boating Song, Jancys, Eton Haddon Hall, Valse, Santiago, Polka, Blue Danube, Valse, La Gitana, Valse, La Svegliata, Valse, The Foreador, Galop, John Peel. The function came to a close at about two o'clock this morning.

## THE REVIEW AT HAPPY VALLEY.

Yesterday afternoon the Happy Valley presented quite an unusually picturesque appearance, it being the occasion of the review of the troops in honour of the King's birthday. Long before the hour came for His Excellency to inspect the men massed there, thousands of people congregated in the neighbourhood of the grounds, and every place of advantage where the review could be witnessed, was made use of. Among the spectators, there were, represent the Acting Governor of Macao and his staff, all the various consuls, heads of Government and mercantile departments. The ladies also mustered in strong force and helped in great measure to lend additional interest to the proceedings. The regiments drawn up were the following: the Naval Brigade, Royal Garrison Artillery, Royal Engineers, Royal Welch Fusiliers, Sherwood Foresters Hongkong-Singapore Battalion of Royal Artillery, Army Ordnance Corp, Volunteers, 10th Bombay Light Infantry, 33rd Burmah Infantry and the 14th Bombay Infantry. The Chinese Submarine sappers did picket duty along the enclosures. There were a practically altogether four thousand troops gathered. Punctually at 4.15 p.m., H.E. Sir H. Blake, K.C.M.G., in the uniform of a general and accompanied by the following staff: Captain Arbuthnot, Subadar Ikbal Singh, and Major Sir F. Keane, Private secretary arrived on the grounds, and was received with a Royal salute. The British Union Jack was unfurled, and the band struck up the National Anthem. Immediately afterwards, H.E. the Governor inspected the troops, being accompanied by Major Baker Brown, R.E., Colonel Brown, Colonel Johnson, C.M.G., and Major W.G.A. Denney, D.A.A.G., C.S.O. They were all mounted. After the inspection, the troops formed fours, and marched past the saluting base in review order. Cheers upon cheer rent the air, and when the last regiment had finished, the troops were reformed again and in review order advanced to the saluting base, when again the Royal salute was given, accompanied by martial music. The Governor then in a very clear and stentorian voice called for three cheers to His Majesty the King, and with one mighty roar, the men right royally respond. The troops were then marched to their original positions, and finally to their barracks. It must be mentioned that previous to the march past, H.E. the Governor presented the N.C.O. and men of the Royal Engineers with the China medals for services rendered up North during the Boxer movements.

THE ACTING GOVERNOR OF  
MACAO.

ARRIVAL AND WELCOME.

On the occasion of the landing of His Excellency the Acting Governor of Macao at the Siamboat Company's Pier about 11.30 a.m. yesterday, a Guard of Honour was furnished by the 1st Battalion Sherwood Foresters, and a salute of 17 guns was fired by the Royal Garrison Artillery.

## DEPARTURE OF THE B.W.F.

THE S.S. "WAKOOL" SAILED YESTERDAY.

Early yesterday morning the officers non-coms and men of the Royal Welch Fusiliers were alive with excitement, as it was the day when they were to set sail. At about 7 a.m. the men were paraded at Mount Austin Barracks, and, with their weather-beaten colours, came down to town, and marched to the pier where they were eventually conveyed by the military launch to the transport *Wakool*. Good-byes were soon said to Colonel Bettie, and his officers and men, and ere the day was far advanced, the good ship *Wakool* was under weigh bound for India.

ALLEGED MURDER AND  
ATTEMPTED SUICIDE.

A MALAY MURDERS HIS WIFE.

On Saturday morning the police authorities received information that a Malay woman, living at No. 10 Square Street, near Hollywood Road had been murdered by her husband Dulla. The police immediately inquired, and found the woman lying dead on the floor, with a horrible wound in the abdomen. Whilst her husband was suffering from several ugly gashes, self-inflicted, in the same part of the body. The man was lying on the ground in a pool of blood, and with a native butcher's knife stuck in his body. A Chinese native doctor, from the Tung Wah Hospital, was hastily summoned, and dressed the wounds. An ambulance was obtained and the man was immediately conveyed to the Government Civil Hospital, where he now lies in a very precarious condition. It is believed that the cause of the crime was due to a quarrel between the husband and wife relating to certain evil reports, which came to the man's knowledge. From latest report to hand, we learn that the man has since expired.

## FIRE IN THE HARBOUR.

Last night the Fire Brigade, under the superintendence of Chief Inspector Mackie, was hastily summoned and notified that a fire had broken out in one of the ships in the Harbour. They found that volumes of smoke were issuing from the B. and S. steamer *Wooning*. The firemen worked with a will and this coupled with the efforts of the floating fire engine soon overpowered the flames. The damage done was slight, only a few bales of cotton being injured. The origin of the outbreak is not known. The *Wooning* only arrived from Shanghai on the 9th inst., and had a general cargo. She is commanded by Captain Dawson.

PUNJON MINING COMPANY,  
LIMITED.

INCREASING THE CAPITAL.

An extraordinary general meeting of shareholders in the Punjon Mining Co., Ltd., was held at noon to-day, at the Company's offices. Those present were: Messrs. R. C. Wilcox (Chairman), T. Howard, A. H. Ezekiel, S. A. Joseph, E. J. Moses, F. W. Terry, Max Michael, W. Parlane, L. J. Barlow, E. J. Figueroa, James Lee, A. H. Meyers, M. H. Baptista, A. M. L. Soares, S. J. Michael and W. Kerfoot Hughes (Secretary).

The chairman said that as the shareholders were aware the meeting had been called to consider the proposals made at a meeting held on the 23rd ult. On that occasion a short-hand reporter was present, full notes of the meeting were taken and a report was circulated. The speaker hoped the report had reached every shareholder and that all were acquainted with the present meeting in consequence. There was not much to add; another crushing report had been received; not as good as might be hoped, but it added considerably to the funds. Addition of capital still remained wanting to pay for surveys and do more prospecting. Mines, especially in Punjon, could not be worked without prospecting the reef continually, and surveying for fresh patches. They were therefore obliged to apply for funds. The chairman then asked if any shareholder would suggest fresh views.

Mr. Joseph asked if it was likely or possible to postpone the calling of the 50 cents till after the Chinese New Year.

The Chairman wished he could answer in the affirmative, but was not in a position to pledge the Board to time. Long notice would have to be given and they would have to set in motion the machinery for getting in the call. Some shareholders lacked paying and required often to be reminded.

Mr. Joseph asked if the paying of 25 cents could be postponed.

The Chairman thought it better to fix a call for the date proposed.

Mr. Joseph desired to know if the finances were in a flourishing condition between this and January, could it be made possible to postpone the call.

The Chairman understood the situation and said it was unwise to defer the call by holding out delusive hopes, although they might get better crushing than expected. He said if Mr. Joseph liked to suggest one he was perfectly willing to propose an amendment.

Mr. Joseph did not desire to do so.

The Chairman said it was his object to make it as little burdensome as possible. He was fully in sympathy with the shareholders, and if they said "No," the directors would then rub along as best they could. Had any other shareholder suggestions to make?

As there was no response the Chairman proposed that the following resolution be adopted:—1. That the Capital of the Company be increased by the creation and issue of 60,000 New Ordinary Shares of \$1 each, with the sum of \$10 paid up on each, and that the Directors be empowered and authorised to accept surrenders of the present 60,000 Ordinary Shares of the Company of \$10 each on which the sum of \$10 each has been paid up, and that one New Share of \$11, with the sum of \$10 paid up thereon, be given in lieu of and in exchange for each old share of \$10 fully paid up, and that thereupon the said old shares be cancelled.

2. That of the remaining \$1 pay. be in respect of each of the New Shares, the sum of 50 cents be paid on the surrender of the old share, and that the remainder be called up (if necessary) and paid at such times and in such instalments as the Board may determine.

Mr. Terry seconded and the motion was carried unanimously.

The Chairman announced that a confirmatory meeting, of which notice would be given, would be held at a later date.

TREMENDOUS SEAS AND  
TYPHONIC GALE.

BETWEEN HONGKONG AND MANILA.

Very bad weather accounts have reached us from the late arrivals from Manila. Captain Outerbridge of the *Sungking* reports "very strong North East gale with tremendous sea and squalls of typhonic violence." The *Zafra* crossed at about the same time and had a similar experience. Luckily, however, these vessels reached port undamaged though many on board declare their late encounter with the elements was the toughest in their diary. The steamer *Guthrie*, from *Australand*, left Manila on the same day as the *Sungking* and *Zafra*, but at the time of our last waterfront report, had not arrived. If horses are included in her cargo they will indeed have a bad time.

## IMPERIAL TRIBUTE TO TAO MU.

The following is a translation of an Imperial Decree dated, from Peking, November 2nd:—We find Tao Mu, the Viceroy of Liang Kwang, always a sincere and faithful man. He started his official career as a Hanlin; for over 20 years he was in Kansu, and rose from the office of Magistrate to that of Viceroy. In his various posts he always found that he won the respect of the people he governed. From Shen Kan, he was transferred to the vicereignty of Liang Kwang. Recently we repeatedly granted him leave of absence, owing to his chronic illness, until at last we were forced to let him resign, with a hope that the rest would restore his health. To our regret, we learn of his death. We hereby command that the title of Junior Guardian of His Majesty be bestowed upon him, and other gifts usually given by us to Viceroy. All his black marks shall be erased. The Board of Rites shall report to us if any distinction may have been omitted by us, that should be given to such a deserving official. We also order the officials to look after the coffin on its way to the native place of the deceased. His eldest son, Tao Pao Lien, shall be made a second class secretary of the Board, and his second son, Tao Chuan Bi, a third class secretary, to show our appreciation of their father's service.

## WARREN'S CIRCUS.

On Saturday, Mr. Warren and his clever company appeared before a Hongkong audience in a large marquee, facing the Central Market. The place was simply crammed, and even standing room was not available. The programme, which was far above the average, opened with an overture by the circus band, and, at its termination, the audience had an opportunity of witnessing a grand equestrian entree by the ladies and gentlemen of the company. Little Emily Lucifer followed with her wonderful posturing and contortion acts, and kept the attention of the whole house riveted on her wonderful performances. The performing dogs next engaged more than ordinary attention by their wonderful feats, and it must be gratifying to Miss Mary Rose, the trainer, to find that her labours have not been lost. These intelligent creatures are splendidly trained, and go through their performance in a most intelligent manner and without the least coaxing or noticeable in performance of a like nature. The invisible wire act by Miss Mary Bell deserves special mention. She is a clever artist and, like the fair equestrienne, Miss Alicia, was loudly applauded. The tumbling and hand balancing by the smart children, Dick and Bella Bell, elicited storms of applause. The high-kicking and leg stretching by the American artists Miss Louise and Mr. William Lucifer were equally good, while the clowns, Baynard, Cento, and Niny were responsible for a great deal of mirth by their comical antics. The entertainment was largely patronized yesterday afternoon and last night. To judge by the golden opinions expressed, circus goes should not miss their opportunity of witnessing a really first-rate show. We understand that it is the intention of the management to have a complete change of programme shortly.

## THE JANET WALDORF DRAMATIC CO.

"A ROYAL DIVORCE."

A Royal Divorce in which Miss Janet Waldorf and Company open their season on Monday, the 17th instant, is one of the most striking plays of recent years. Napoleon is the central figure and the incidents are simple, the dramatic events of his remarkable career, presented with historic accuracy and without colour or elaboration. The piece opens with the divorce of the Empress Josephine, occasioned by the diplomatic relationship between the courts of France and Austria, and the need for an heir to the Imperial throne created by Napoleon. From this event the career of the great soldier is traced in the course of the play until his final imprisonment at St. Helena, and the leading incidents are illustrated by magnificent tableaux. Thus the history of the Retreat from Moscow and the Battle of Waterloo is told more by pictorial representation than by dramatic action, while the best scene of all—Napoleon watching the setting sun from St. Helena forms a picturesque and striking conclusion to the play. While there is much to instruct in these scenes, the piece also abounds in incidents of an exciting character and some deep human interest is also evoked from the love-story of Napoleon and Josephine. From beginning to end the interest is sustained and the audience held in the grip of an enthralling tale of love and battle, which has the additional merit of being true and faithfully represented. Miss Janet Waldorf's performance as the Empress Josephine has been criticised throughout her long tour of the world as a strong and artistic portrayal of a great character. Mr. Norval McGregor is said to be an excellent Napoleon, his appearance helping him greatly with the part, while his experiences as an actor gives his portrayal all the realisation essential to its success. Mr. Wilson Forbes, who plays *Alfred Talleyrand*, the crafty Minister of Spain, is an actor of high repute. The remainder of the cast will be filled by capable artists. Some pretty Court dances will be provided by a capable Corps-de-ballet. The box plan is now open at Robinson's.
